## HARBOR MASTERS UPDATE

The following list is what has been going on at the Curtis Merritt Harbor in the past month.

- A. Sublease were picking up a bit but still down when comparing to last year at this time.
- B. Five (5) slips may be coming open this up coming month, with one 25 foot slip, one 30 foot slip, and three 40 foot slips. I will be contacting the individuals next on the list to offer the slips to. Currently we do not have any commercial fisherman on the list at the present time.
- C. The next meeting I will bring information to the table on a second floating dock as discussed at a previous currently I am still gathering information.
- D. I need to discuss a few problems that we are currently having with some slip holders (i.e. late paying lease fee, subleasing there slips, and complaints).
- E. We have had a big problem this year with complaints about the fish cleaning table. I will discuss what problems we had and what we have done to remedy the problem.

Sincerely,

Wayne Merritt, Harbormaster
